WATER BASED SUPPLY LIST

This list contains my preferred water-based oil colors, brush and painting surfaces.

HOLBEIN DUO AQUA WATER SOLUBLE OILS

Titanium White

Sap Green

Cadmium Yellow Lemon

Rose Violet
(replacement for Permanent Rose
in oil based oils)

Cadmium Yellow

Imidazolone Brown

Cadmium Orange

Indian Yellow

Dioxazine Violet

Quinacridone Violet

Ultramarine Light
(replacement for Ultramarine Blue
or in oil based oils)

ROYAL TALENS COBRA WATER MIXABLE OIL COLORS

Transparent Oxide Red
(replaces Oxide Orange
in oil based oils)

Phthalo Turquoise
(replaces Caribbean Blue
in oil based oils)

Transparent Red Medium

RICHESON SHIVA BRAND

Ice Blue - There is not a substitute for this color in water based oils so I have added my regular oil color from Shiva Brand.

NOTE: Regular oils and water miscible oils can be used together. If you have a favorite color that can't be found in water based oil paint, don't be afraid to throw in a regular oil based color (for me that's Ice Blue). You can go up to a 30% mix of regular oils with water based oil colors before you losing the ability to clean up using soap and water only.

MEDIUM

Holbein Duo Aqua Linseed Oil

You will need medium to thin your oil paints. I use this mixed with water as my medium. I suggest doing a one part linseed oil to one part water mix and see how you like it. You may decide you want more/less water in the mix.

KEMPER WIPE OUT TOOL

OIL BRUSH

Winsor and Newton Monarch Flat, Size 14
OR Eclipse Short Flat, Size 7 (Available at RosemaryandCo.com)

PAINTING SURFACES

The smooth surface of Ampersand Museum Series Gessobord is my preferred choice for painting surface. The sizes used in the painting videos on Dream.Love.
Paint are:

(1) 12" x 12" (1) 8" x 8" (2) 9" x 12" (1) 6" x 6"
(1) Extra panel or canvas in size of your choice

Note: Canvas (either stretched or on panels) works fine too - it just behaves a bit differently due to the texture difference between canvas and gessobord.
